**BASE**  
Chai\*

**CREASE**  
Mocha

**HIGHLIGHT**  
Cold Foam\*

**Step 1:** Cover your eyelid with the base shade **Chai**, leaving the inner corner of your eye untouched.

**Step 2:** Use the shade **Mocha** to add dimension to the look by shading the crease of your eye from outer corner to the middle of the crease. Using the *Sei Bella Blending Brush*, blend the edges of the crease to diffuse any harsh lines.

**Step 3:** Finish the look by placing **Cold Foam** at the inner corner of your eye and on your brow bone to create an open, lifted appearance.
