**BASE**  
In Harmony\*

**CREASE**  
Getting Warmer

**HIGHLIGHT**  
Solful\*

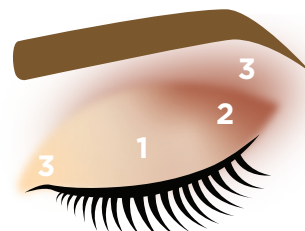

**Step 1:** Cover your eyelid with the shade **In Harmony**, leaving the inner corner of your eye untouched.

**Step 2:** Use the shade **Getting Warmer** to add dimension to the look by shading the crease of your eye from outer corner to middle. Using the *Sei Bella Blending Brush*, blend the edges of the crease to diffuse any harsh lines.

**Step 3:** Finish the look by placing **Solful** at the inner corner of your eye and on your brow bone to create an open, lifted appearance.
